NASHVILLE OPERA Guild

We need you.

For the more than 20 years since its founding, **NASHVILLE OPERA GUILD MEMBERS** have cherished their role in preserving and promoting Grand Opera in Middle Tennessee through their support of Nashville Opera Association, Inc. For the Guild, Opera is the gateway to all fine arts—poetry, music, sculpture, painting, design, and dance. The musical score excites and then invites you, the listener, into the emotional realm of superior story-telling that is the heart of every opera. Modern English subtitles allow opera-goers to understand every scene regardless of the language being sung.

Opera needs your support. By joining the Nashville Opera Guild, you can help ensure that your children and grand-children can enjoy this **MAGICAL MEDIUM** in the 21st Century and beyond.
